

READY, SET, SPRING!

Your Spring STEM Connection

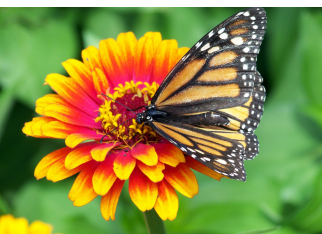

Attention Preschool - 5th grade students!

Register for the Ready, Set, Spring program - your spring STEM Connection! Receive an amazing bag filled with STEM activities for you to do at home along with all the materials needed. Each week will have a different theme...

Week 1 - STEM Structures in the Library World

Learn all about STEM Structures! Learn about the different types of structures, how those structures may be impacted by adverse conditions, create your own Peep's house!

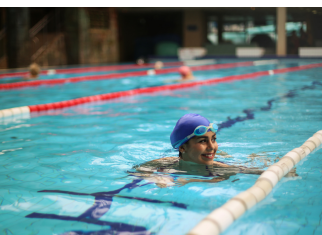

Week 2 - Pollinators

Learn all about pollinators! Learn about the different types of pollinators, create your own mini-pollinator garden and/or seed-bomb for a pollinator garden.

Week 3 - Weather

Learn all about weather! Discover the types of weather in spring. Learn about tornado weather preparedness and tell us what your favorite type of weather is!

Week 4 - Spring/Summer Sports

Learn all about spring and summer sports! Learn about soccer, softball, lacrosse, track, golf, swimming and baseball! Show us your favorite sports!

This program is made possible by the Governor's STEM Council of Iowa in partnership with the Gibson Memorial Library.

Return a completed registration form by Monday, March 29, 2021 to the Gibson Memorial Library, 200 W. Howard St. Creston, IA 50801. Pick up bags starting on Monday, April 5, 2021 .

Please plan to come into the Library for your bag or call us for curbside pickup.

READY, SET, SPRING!

Your Spring STEM Connection

The Spring STEM Connection is for all area children preschool - 5th grade. STEM Bags will be distributed per family unit. Please specify below the names of all the children you have participating.

Each bag will contain a month's worth of STEM activities geared toward your child(ren)'s grade(s). They will be organized by week and theme. They will include: experiments, activities sheets, challenge cards, suggested reading lists, recipes, snacks and all the necessary materials to complete activities. **There will also be a final survey to complete and return.**

This program is made possible by the Governor's STEM Council of Iowa in partnership with the Gibson Memorial Library.
