## **Gibson Memorial Library Wine Walk Postponed until 2021**

CRESTON — The Gibson Memorial Library Capital Campaign Events Committee met on Wednesday, August 19, 2020 at 5:00 PM to discuss their Third (3<sup>rd</sup>) annual Wine Walk.

After careful consideration, applying input from letters sent out by the committee to community partners and local businesses, and input from past participating community members, the committee has decided to postpone this year's Wine Walk. However, the group is already hard at work planning the Wine Walk for next year with a set date of Friday, August 6, 2021.

The Capital Campaign Committee made the difficult decision with the safety and comfort of everyone in mind. The committee hopes the community will understand and will be willing to support the Library and their partners in 2021.

### **About the Gibson Memorial Library**

In 1930 Mrs. Frank Phillips of Bartlesville, Oklahoma gave Creston \$25,000 in memory of her mother, Matilda Gibson, who had been very active in church and charity work.

This money was used in buying the grounds and erecting a beautiful joint clubroom and library. The Matilda J. Gibson Memorial Library was formally opened on April 7, 1931.

The Gibson Memorial Library provides a welcoming place to meet and gather, offering staff skilled in providing access to the collection of materials and electronic resources to satisfy

recreational and lifelong learning needs. <https://www.creston.lib.ia.us/>
